

## **Women's Health & Public Health/Community Nutrition Dietetic Practice Groups Joint Webinar: "Management of Common Breastfeeding Concerns"**

Please join us for an exciting webinar, "Management of Common Breastfeeding Concerns," sponsored by The Women's Health and Public Health/Community Nutrition Dietetic Practice Groups. One continuing professional education (CPEU) credit has been approved. This webinar will be recorded and the Type 175 certificate is available for those who listen in. Also, attendees (Live webinar) who complete the evaluation survey are eligible for a drawing to get a "Pump In Style Advanced On-The-Go-Tote" breast pump. Please share this great learning opportunity with anyone who may be interested.

**Date:** Thursday, February 27, 2014

**Time:** 2:00 pm – 3:00 pm (EDT)

**Presenter:** Phyllis Stell Crowley, MS, RD, CD, IBCLC  
PHCNPG Treasurer

Phyllis Crowley has been a Registered Dietitian since 1986 and first became certified as an International Board Certified Lactation Consultant in 2001 (recertifying by exam in 2011). Her passion has been working in the WIC Program since 1993 and combining her lactation knowledge with her nutrition knowledge to provide the best support possible for WIC participants. Currently, she is the State Nutrition Coordinator for the Utah WIC Program where she manages and supervises the nutrition and breastfeeding components of the program.

**Moderator:** Lauren Melnick, MS, RD, LD  
PHCNPG Secretary

**Administrator:** Maria Bournas, MS, RD, LDN  
Women's Health Membership Chair

### **Learning Objectives:**

1. The most common breastfeeding difficulties reported by women
2. How to address these breastfeeding difficulties
3. Support staff to assist with these common difficulties

### **Description:**

In this webinar, you will learn about the management of some of the most commonly reported breastfeeding concerns. These concerns include latch and breastfeeding positions, sore nipples (in the first week and after the first month), physiologic engorgement, pathologic engorgement,

insufficient milk supply, thrush and returning to work and/or school. In addition, you will learn strategies for preventing and/or treating these common concerns.

**Registration:**

Please click [HERE](#) to register and save the confirmation e-mail on your computer or calendar. You will also receive a reminder one week before, the day before and one hour before the webinar.

**CPEU Certificate:**

Live Webinar:

All attendees will receive a link to the webinar evaluation survey by March 2, 2014. When you complete the evaluation survey, you will be re-directed to the CPEU certificate.

Recorded Webinar:

The recorded webinar and instructions on how to get a CPEU (Code 175) certificate will be available [HERE](#) after March 10, 2014.

If you have any questions, please feel free to contact [Takako Tagami](#).
